Abstract

Abstract in English within 20 lines with font of size 11.

Keywords: *Bulgarian, Sign language, reading, deaf children, bimodal bilingualism*

1. Introduction

The paper is focused on sign language acquisition.

2. Citations

Citations observe the following model: for sources not in English, first use the original spelling of the authors' names, then its transliteration in English followed by the year of publishing: one author (Дионисиева / Dionisieva 1996), two (Иванова & Попова / Ivanova & Popova 2000) or more than two authors (Иванова и др. / Ivanova et al. 2020), and for sources in English – only the English name and year of publishing: one (Emmorey 2002), two (Knoors & Marschark 2015) or more than two authors (Lillo-Martin et al. 2014).

We advise you to cite webpages in a footnote (to avoid long weblinks in the text)¹ with a date of last visit in square brackets.

3. Tables

Feel free to use tables formatted according to your preference. Below each table please include a table number and caption, so that in the text you can refer to the table by number.

4. Figures and images

Feel free to use figures and images, which should be provided with a reference number and caption underneath.

Figure 1. Caption

5. Anonymity

When you submit a paper for review please ensure that the paper is anonymous. The final version should include full names, affiliations and addresses of the authors.

Only research papers for the Scientific section of the Journal need to be anonymous. Papers in the popular section do not need to be anonymous.
